**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use fiber today, and its been a huge benefit for both work and personal use. Without local competition for internet service, we would have been relegated to spotty, slow service at much higher prices. Please make it easy for new competitors to flourish, and dont allow big companies like AT&T to cut them off.

Thank you,

Adam Lowe
